“ Robby - I have such fond memories of visiting you and your family (plus Grandma and Grandpa) in Champion. You and all the cousins taught me to ride a dirt bike, snowmobile and ski. While we all drifted apart over the years, you and your family will always have a special place in my heart and memories. I'm sending up prayers for your boys (I had twins as well) as well as Jason and your friends. You will be missed.

“ Rob..you were my husband but we didn't make it, but you have me the most precious gift. our twin sons Dakota and Dylan. We had our good times and bad ones but you had a place in my heart. You don't get to see them graduate this year. Or see them get married and see your grandkids. You always said that when we got old we would sit in our rocking chairs and watch all of our grandkids run around. Please just watch over our sons.
