“ *Arnie was my mentor when I started in the hospitality industry in 2016. I learned so much from him during my time working with him. I owe a lot of my success in the hospitality industry to him. He will definitely be missed by everyone who knew him and especially those who had the pleasure of working with him. To the family, I'm sorry for your loss.*

“ *Condolences to the entire Pritts family. I had the good fortune to work with Arnie for the last few years. He was just the nicest, most kind person in all of our dealings. I know he will be sorely missed by all that knew him including his extended “hotel family.”*
