“ Bonnie was my Aunt , she was like our second Mom sometimes . She just lived down the path to Grandmas house a short distant from home . I will always remember her as being a kind person , helping her sister my Mother take care of her kids ! She use to take us shopping then out to lunch at Winkey's ! Bonnie babysat us , made us matching clothes ! Helped Mom make Christmas special with presents pulled up the path on a sled through the cold snow drifts ! She never said the words but you knew she loved you by her actions ! I 'm sure she's in heaven walking on streets of gold ! because her Mom my Grandma Jean instilled in them the love and hope of our heavenly Father ! Train up a child in the way they should go and when they are old they will not depart ! She knew who God was that's why I say she's ok in her eternal home and without any pain ! love Lisa 🌹
