“ *Dave, we always studied together me you and hooper at ccac that one summer. We had the time of our lives in philosophy class. We reconnected last summer when I moved home from Arizona. We went golfing, we hung out at your apartment, you came to my parents house.... You were always taking work calls and putting those people in their place to make sure the deliveries got there lol.. We binged sopranos... I will miss you greatly. Im grateful I was able to talk to you just last week. RIP.*
