“ I did not know Domer well, but met him a few times. He led a strong faith filled family. Each and every family member has a strong tendency to help others in need and had to have been handed down those traits from their folks and those before them. This is something valid of recognition in the age we live in, and something to emulate. Domer can now advocate for us as we lift him in prayer. My prayers and sympathy for the entire family.

“ There are few really good men in this world and Domer was one of the best. He was a great neighbor. He was kind , thoughtful,always lending a hand if he knew you needed help. I watched him with his grand and great grandchildren and he was patient,loving. He is definitely an angel in Heaven. He will be sadly missed.

“ Domer a.k.a "Pappy" was a one of a kind man. He loved everybody with his whole heart. He treated me like family from day one before I married into the family. He was a God fearing man and his love for Jesus Christ poured over into our children. I wouldn't have changed one single thing about him. He will be deeply missed by so many. He is right where he knew he'd be, in heaven with our Lord.
