“ *I knew Doris from Leepers. She knew my name and ask about family even when I came home from VA.*

I never knew her to be angry, hostile or negative. She always smiled!!

I cannot believe she is gone.

Heaven gained another angel.

My sympathy goes out to her family. She was a treasure. God bless.

“ I worked at the Walmart in Mt. Pleasant for many years. I was a manager in charge of the front end for a time as well as in personnel for part of that time. Doris was one of my favorite cashiers. She never had a complaint of any kind and always had a smile on her face. She was such a kind person and I always appreciated her. She was one of those people that made coming to work such a pleasure. I hope she is gardening in heaven, as I'm sure she had a direct route there.
