“ I'm so sad to know that the world has lost such an amazing, strong, beautiful and ornery lady. I have so many fond memories of listening to stories, learning how to make cherry danish, looking at all of the beautiful quilts and just being around her when we were able to come up for visits. And a couple of times that she made it to Oklahoma. I wish that I would have been able to spend more time with her. Sending all of my love and prayers to Mary, Martha, Nancy and all of the family. I wish we could be there. Love, Jana
