“ There is so much could say, so many memories have! The sarcastic jokes and the most random music that no one ever heard of that u would randomly send me 😂 always gave me a chuckle ☐, but most of all the most wonderful thing is seeing the person u became! Always a wonderful father, and truly was a gift to so many people ! You was so proud of the work you did! And we are all so very proud of you! I really just believed you was invincible, I know we joked around about when this day came but I really really believed it wouldn't come so soon! You always found a way out of any situation! The problem solver no matter how hard the problem!! 😭 .. I am sorry Elmer 😭
