“ I will forever miss you sweet friend. You and I had some great times together. We shared laughter and tears. You were always a true friend and i knew i could count on you to talk to . It wont be the same at cookouts, and family functions without you there. I will miss seeing you at walmart almost each time i was there. I am so greatful and Thankful to God that i saw you not long ago, and was able to hug you and tell you I loved you.. I know you are at peace now and walking with the Lord.. I will see you again, This is not where it ends... Until then, Remember you are loved and will be missed by so many.. RIP my dear friend, we will take it from here.. I love you Flo.....
