“ *I was truly saddened to hear of Lance's passing. My sincere condolences to everyone in the family. The world has lost a sweet soul and heaven has gained one. Of course thinking about it I can also hear what's going on up there. He's being chased down the street by Pap cause he has already pulled a prank on him and as he runs past his Dad he's saying "Time for us to go fishing!" Lance will always have a comforting spot in my heart every time I think about him. He has been a blessing from God his whole life. I guess he's done saving our lives now and is receiving his reward. I thank God he pulled my blue head out of the water that time even if I did want a few more minutes to talk with Jesus. Without Lance a lot of the family wouldn't be here now. Rest easy cousin. Love you.*
