“ Dear Jeff, Christopher and Rachel.
I am so sorry for your loss. I once shared an office with your mom when we worked at Mon Valley Hospital social services. We had many laughs and good times and she was a joy to be around.
When we both moved to other positions our paths crossed a few times and it was always the same with your mom, great personality and laugh.
She frequently talked about the three of you ,you were little then but she was very proud of each of you.
Again my sympathy.

“ I only met Pat once in person and she presented herself so beautifully, especially with her nails. Every time I spoke to her on the phone she was so pleasant and kind. Her son, Jeff, told me many stories of Pat and her generosity and humor. My condolences goes out to her family.

“ Pat will truly be missed by her Centerville/ Greensburg Partial family. Such a laid-back boss and loving soul. Many great memories and adventures with Pat. We will miss designer purse adventures and her signature “Lincoln park after dark” nail polish 🧐❤️
