

Randolph "Randy" Dean Wadsworth

January 18, 1955 - March 4, 2022

Randolph (Randy) Dean Wadsworth, 67, resident of Champion, Pennsylvania, passed away peacefully Friday, March 4, 2022, in Excelsa Health Westmoreland Hospital surrounded by loved ones.

He was born January 18, 1955, in Mount Pleasant, Pennsylvania, son of the late Harold Dean, and Wilma B. Wadsworth of Acme, PA.

Randy lived an amazing life holding many skills that set him apart from other men, although his passion for carpentry and wood working by far is where he excelled. Over the years, he passed on his knowledge for his passion to the ones he loved and built many memories that will never be forgotten. Though he was a skilled craftsman, his true love in life was his family. He never went a day without assuring those around him how much he truly loved them, especially his wife, his love at first sight. Their love was infectious and will be everlasting, a testimony to what life is truly about. His love, memories, and lessons will be carried in our hearts and minds, until we meet again.

Randy was a loving husband, father, grandfather, mentor, and friend, and he will be missed deeply and remembered daily by his loving wife Naomi, son Randy, daughter-in-law Jennifer, and grandchildren Tyler and Aubrey. As well as, his siblings Debra Dolan and husband Joseph of Muncie, IN, Geary Wadsworth of Champion, PA, and all his extended family and friends. He will surely be missed and remembered by everyone whose life he touched.

Family and friends will be received for a memorial service at Greensburg Alliance Church with Pastor James Llewellyn on Thursday March 10, 2022, at

3 PM. If you are unable to attend in person but would still wish to be a part of the service, you can live stream the message on the Facebook page of Jennifer Wadsworth which will include a live stream link.

“ *Oh my, I had no idea Randy passed. I'm so very sorry to hear this and I will be praying for you all. My greatest memory of Randy was when I was about 5, which would have made him around 13. We were all at the neighbors house, which was between our homes. My brother and the one neighbor boy were throwing football back and forth while I was sitting on the ground between them watching. One of the throws tapped the power line coming off of the neighbors house. There happened to be a white faced hornets nest touching that wire. They came after me since I was the closest, and stung me 4 times on my head. Randy saw what happened and ran over, picked me up, and found some wet clay soil and put on all of the stings. From that point on he was my hero. I saw him a few years ago and told him that story and we had a good laugh about it. He was definitely one of the good ones.*

“ I remember Randy as one of the "cool" older guys at Acme church when I was little, our Moms were friends forever, and he took care of my parents home when I lived too far away. We are sorry for your loss.

“ Randy had an infectiously warm personality. We were privileged to meet him when he lent his talents in carpentry to building our home. He left joy behind with every contact. Rest In Peace.

“ *I'm so sorry for your loss. Randy and I were good friends through our Jr. & Sr. High School years and the one thing I remember most about him is his friendliness and his smile. Of course we lost touch after graduation but it was always nice to see him and Naomi at our class reunions and to catch up on our life's.*

Snowmobiling was always fun fun fun. We often discussed how God had truly blessed our friendship and families. This isn't a good bye but a "see you later" my friend. God will comfort your family until we are together again. See Ya Later luv ya Rob b
