“ I worked with Bob at Nabisco many many years ago. He was always quite the character. A very funny guy, made me laugh so often but he had a serious side, too. We had many interesting conversations. I moved from one coast to another and we lost touch. I am sure he is adding some life to the party in Heaven!

“ My neighbor Bob was always there when I needed advice after my father passed away. I so enjoyed sending him whip creme chocolate cake and spaghetti and meatballs as often as I could. It was painful to see him going down in health. I skied many runs down the mountain with him as a kid. I will miss you, Bob. May you rest in peace.

“ So many stories & so many laughs Whitey contributed to my memories. We socialized & working together for decades. Just as so many others did on this mountain. He always made the golf course more than interesting. Thank you for all of it Whitey!
