“ My prayers and condolences to Sandy's loving family. We were friends since junior high school and worked at Cornell's restaurant together....if only they knew the craziness that went on in the evenings!! She gave me my nickname from there and was a truly genuine and loving friend. Though life had us busy and not always in touch when we were it was like we never missed a day. She truly loved all of you and was so proud of her children and grandchildren. Sandy was a warrior and is now a true angel!!
I will miss her.
