“ Growing up across the road from the Bergers, Shirley and Dwaine always welcomed us into their home to visit Kevin and Keith. All the families in the neighborhood did that. One memory of Shirley stands out when I was about 7 or 8 years old. Kevin and Keith had just gotten a new go cart and everybody was looking at it at Shirley’s parent’s house, the Flecks. For some reason, I decided I was going to jump in and take it for a ride. I was heading for the creek which had about a 8 foot bank. Afraid I was going to run into the creek and get hurt, Shirley started running after me, but I did turn in time and stopped. I knew what I was doing, but I gave her and everybody a real scare. What was I doing?
