“ Our brother-in-law Ted was a great generous person always there for all of us we had to be careful in mentioning something you needed to do because he'd be there right away to help. He was so considerate to all, so grateful to have him in our family. Ted was such amazing person we were fortunate to call him family! Ted took care of Chub worried about her till his last breath. He will be greatly missed. Loved him very much, Sonny and Cathy Korzen
