“ *Tom, Todd and Joy; Bev and I are so sorry for Tom's passing. One shared moment with Tom and I was when we would go to visit the amish at Spring, Pa. when he was driving, I would tell him; now we can't stay too long cause I would have to do stuff at my place on the farm. But I would already know that he would visit all the amish farms (they all knew Tom) he would out of orneriness stay there until sometimes we wouldn't get home until midnight. We are going to miss him very much. I haven't visit him since COVID cause of his condition with the chance of catching something. He will always have a special spot in our hearts. Love you (you ornery fart) Blaine and Bev Eutsey*
