“ Hi I would like to say a few words about Tina, ahem yea hi my name is Matthew Fritz aka my gamer tag Ichigofullmetal age 31 from Ashville, OH and I met Tina on a video game, a service called Xbox live and she was the most kindest, loving, and caring person I ever met she talked to me thru microphone about her life and troubles and she was like a second mother to me and bestfriend!❤️🌹 She kept me company while gaming since I'm so lonely all the time and we had fun gaming. We would game for hrs some nights after she got off work. She was a loving soul taken too soon before her time and what a tragedy this is, I can't believe she's gone. We knew each other like almost two years, I will always love u Tina as a son cause she accepted me as her fourth child I know how it sounds but she did cause I share a condition of one of her sons and we bonded❤️ And got to know each other quite a bit. I'll miss u dearly Tina R.I.P And my condolences to her kids and family thank u🍷❤️🌹
